

TO COLLEGE OF FOREIGN LANGUAGE FROM
KARAKUDUK - MUNAY

10 Июня 1999 г.

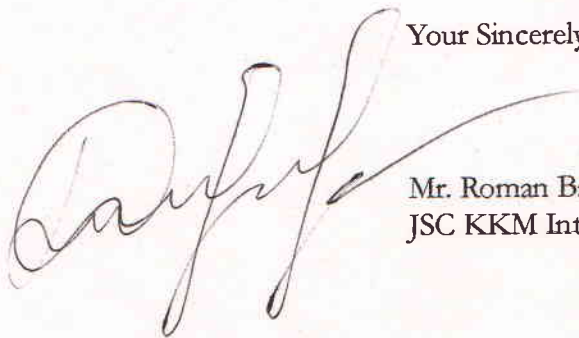

Dear Madam

We the students of the 3rd year graduating from the College of Foreign Languages are committed to the Future of our College and have been doing everything in our power to satisfy the highest standard levels required for "English" students. For your ~~spring~~ no efforts to provide us with the best education obtained in our town we can assure you will be thanked by the heavens.

We wish we had not graduated from our College so promptly cause the days spent in the House are of that kind that could leave unforgettable impressions in your baby heart. Everywhere we go the name of this College will be set as an example for those whom we work with. Of course we had encountered some difficulties when we were challenged by the training procedures but with the support provided by the Principal we did manage to bridge over them. And for that we do owe you until the end.

Best regards

Your Sincerely

Mr. Roman Balkhozha-Ylu -
JSC KKM Interpreter
